

# Barbra Streisand, Someone That I Used To Love

When I wake up each morning  
Trying to find myself  
And if I m ever the least unsure  
I always remind myself  
Though you re someone in this world  
That i'll always choose to love  
From now on you re only someone  
That I used to love

As for me  
It s getting down to the last  
Unspoken part  
When you must begin to ease  
The pain of a broken heart  
Tell me why should I even care  
If I have to lose your love  
From now on you re only someone  
That I used to love

I wish it was enough for you  
All the love I had to give  
And I did my best  
To keep you satisfied  
I guess you ll never know  
How much I tried  
I really tried

And if ever our paths  
Should cross again  
Well, you won t find me  
Neath the one to get lost again  
Once I had so much to give  
But you just refused my love  
From now on you re only someone  
That I used to love

And I did my best  
To keep you satisfied  
I guess you ll never know  
How much I tried  
I really tried  
When I wake up each morning  
Trying to find myself  
And if I m ever the least unsure  
I always remind myself  
Though you re someone in this world  
That all always choose to love  
From now on you re only someone  
That I used to love  
From now on you re only someone  
That I used to love

Though you re someone in this world  
That i'll always choose to love  
From now on you re only someone  
That I used to love  
From now on you re only someone  
That I used to love...
