

Barbra Streisand, Something's Coming

Could be, who knows?
There's something due any day
I will know right away soon as it shows
It may come cannonballing down through the sky
Gleam in its eye, bright as a rose
Who knows?
It's only just out of reach
Down the block on the beach
Under a tree
I got a feeling there's a miracle due
Gonna come true
Comin' to me
Could it be, yes it could
Something's comin', somethin' good
If I can wait
Something's comin'
I don't know what it is
But it is gonna be great
With a click, with a shock
Phone'll jingle, door will knock
Open the latch
Something's comin' don't know when
But it's soon, catch the moon
One handed catch
Around the corner
Or whistlin' down the river
Come on, deliver to me, yeah
Will it be? Yes it will
Maybe just by holding still
It'll be there
Come on something, come on in
Don't be shy, meet a guy
Pull up a chair
The air is hummin'
And something great is coming
I feel like drumming
And something great is coming
Who knows?
It's only just out of reach
Down the block, on a beach
Maybe tonight
Maybe tonight
Maybe tonight
