

Barbra Streisand, Warm All Over

Warm all over, warm all over
Everytime you smile
you get me warm all over
Sometimes I feel kind of odd
in the cold
But when I touch your hand
and I'm home, home again
And warm all over
warm all over
Goner are the clouds that
used to swarm all over
Please always let me keep
feeling the way I do
So warm all over
with a tender love for you
(Humming)
Please always let me keep feeling
the way I do
So warm all over
With a tender love
for you...
