Barbra Streisand, Who Are You Now?

Nick is not in the audience for Fanny's opening night And she's worried but when he makes a late appearance at the party She's angry at him until he tells her that A hurricane has destroyed their casino and he's lost all her money Fanny doesn't think it's that big a deal And this makes Nick angry Fanny doesn't understand why Who are you now Now that you're mine? Are you something more Than you were before? Are you warmer in the rain Are you stronger for my touch Am I giving too little By my lovin' you too much? How is the view Sunny and green? How do you compare it to The views you've seen? I know I am better, braver and surer too But you, are you now Who are you now? Are you someone better for my love?
