forever  
gets you down  
time stands still  
time runs out  
i'm not afraid of the millenium  
i will not be here when you come to earth  
forever  
gets you down  
time stands still  
time runs out  
i'm not afraid of the millenium  
i'll be home sleeping when the earth explodes  
1981-1982-1983-1984-1985-1986..  
1980-1990  
forever gets you down  
time stands still  
time runs out  
i'm not afraid of the millenium  
i'll be sunbathing when the earth explodes
