

Barclay James Harvest, Believe In Me

If your world is falling 'round you
And you don't know where you are
If you need someone to be there
Baby, believe in me
When the dark night is upon you
And you're feeling very small
If you need someone around you
Baby, believe in me
Show me the need in me
Baby, believe in me
Tell me that you can see

Give me your number
Tell me come over
Anywhere
Give me a call
Whenever you're falling
I'll be there

You never give me your loving, baby
When I'm far away
It's just the same old story, baby
It's the same old play
You never give me your loving, baby
When I'm far away
It's just the same old story, baby
It's the same old play

When your world is falling 'round you
And you don't know who you are
If you need someone to be there
Baby, believe in me Show me the need in me
Baby, believe in me
Tell me that you can see
