

Barclay James Harvest, Eden Unobtainable

Things I said before
No meaning any more
I can't seem to recall
Places that I've seen
It's like I've never been
Sometimes I feel so small

And if I was to ask
What it's all about
How could I find out
If it's true?

Things I said before
No meaning any more
I can't seem to recall
Places that I've seen
It's like I've never been
Sometimes I feel so small
