

Barclay James Harvest, Giving It Up

I give up my world
And giving it up, it ain't easy
I give up my life
And giving it up, it ain't easy
I give up everything I have
Even give this heart of mine
I would give up my soul
Giving it all for you
I give up my time
And giving it up, it ain't easy
I've made up my mind
And making it up, it ain't easy
Give up everything I have
Think about this heart of mine?
I would give up my soul
Giving it all for you
