Barclay James Harvest, Giving It Up

I give up my world And giving it up, it ain't easy I give up my life And giving it up, it ain't easy I give up everything I have Even give this heart of mine I would give up my soul Giving it all for you I give up my time And giving it up, it ain't easy I've made up my mind And making it up, it ain't easy Give up everything I have Think about this heart of mine? I would give up my soul Giving it all for you
