

# Barclay James Harvest, Mocking Bird

Rain, sea, surf, sand, clouds and sky  
Hush now baby, don't you cry  
There's a mocking bird  
Singing songs in the trees  
There's a mocking bird  
Singing songs  
Just for you and me  
Rain, sea, surf, sand, clouds and sky  
Time will see your tears run dry  
There's a mocking bird  
Singing songs in the trees  
There's a mocking bird  
Singing songs  
Just for you and me

Rain, sea, surf, sand, clouds and sun  
Bless the tears of love now gone  
There's a mocking bird  
Singing songs in the trees  
There's a mocking bird  
Singing songs  
Singing just for me...
