Barclay James Harvest, The  
Eyes Of The Universe  
Alright Down Get Boogie (mu Ala Rusic)  
Disco la risco  
Latin surprise  
Dance floor a go-go  
Satin and thighs  
Coke a la cola  
Flashing her eyes  
Get down get with it  
Nights, boogie, lights  
Get down boogie alright

Mu ala rusic  
Cool out o sight  
Heaven in high heels  
Hell in black tights  
Move ala groovin'  
Flashing her lights  
Get down get with it  
Nights, boogie, lights

Get down boogie alright

Rock ala rolla  
A slip and a slide  
Move a bit closer  
Whisper you're nice  
Booga la rooga  
Don't give me that jive  
Get down get with it  
Nights, boogie, lights

Get down boogie alright
