Barclay James Harvest, The
Eyes Of The Universe
Alright Down Get Boogie (mu Ala Rusic)
Disco la risco
Latin surprise
Dance floor a go-go
Satin and thighs
Coke a la cola
Flashing her eyes
Get down get with it
Nights, boogie, lights
Get down boogie alright

Mu ala rusic
Cool out o sight
Heaven in high heels
Hell in black tights
Move ala groovin'
Flashing her lights
Get down get with it
Nights, boogie, lights

Get down boogie alright

Rock ala rolla
A slip and a slide
Move a bit closer
Whisper you're nice
Booga la rooga
Don't give me that jive
Get down get with it
Nights, boogie, lights

Get down boogie alright
