

Barclay James Harvest, The, Crazy (over You)

Barclay James Harvest, The
Baby James Harvest
Crazy (over You)

The day, the night, to me are just the same
I see your face, it burns me like a flame
And there's something i've got to say
Yes it's making me feel this way
Don't you know that i'm going crazy -
Over you

One look, a smile, is all you've got to do
I see your face in everything i do

And there's something i've got to say
Yes it's making me feel this way
Don't you know that i'm going crazy -
Over you
