

# Barclay James Harvest, The, Dark Now My Sky

Barclay James Harvest, The  
Barclay James Harvest  
Dark Now My Sky  
Don't ask me how i know  
But this dark sky will soon be blue  
Don't ask, no don't ask  
Just watch as the grey mists of winter fall  
Like so many drops of dew  
Feel the ice melt to warm tears in my eyes  
Uner the light of a tin sun  
Do not ask me how i know  
The effect of light on unseeing eyes  
How should i know?  
How could i know?  
Dark now my sky  
The sea of peace has left my shore  
No birds cry  
The silent spring will overflow  
Oh you'll never know  
I love you so  
You'll always be  
A part of me

Dark now my eyes  
The sea of peace has met the sky  
No birds sing  
And like the spring life whispers by  
Oh you'll never know  
I love you so  
You'll always be  
A part of me

Dark now my sky  
The winds of time have swept my shore  
No birds fly  
The trees that fall will rise no more  
Oh you'll never know  
I love you so  
You'll always be  
A part of me
