

# Barclay James Harvest, The, Fifties Child

Barclay James Harvest, The  
Rings Of Changes  
Fifties Child

Love was a lesson we tried to learn  
There were no exams to pass or fail  
Only heartbreaks, renew our faith  
Life was a lesson we've tried to learn  
There were no tests to pass, no license to gain  
Only win or lose, renew our faith

Renew our faith, let us see  
Fifties child was right to believe  
Peace and love were our needs  
The need to be free

War is a lesson we've had to learn  
We had to learn to kill, to destroy and burn  
But our spirits cry, renew our faith  
Peace is a lesson we've yet to learn  
A prize for all mankind who race for the gain  
Of love and harmony, renew our faith

Renew our faith, let us see  
Fifties child was right to believe  
Peace and love were our needs  
The need to be free

Renew our faith, let us see  
Young and old we're right to believe  
Peace and love are our needs  
The need to be free
