Bardot

Bardot

Girls Do, Boys Don't

Girls do, boys don't

Girls say what boys won't

You're all that and more

I do adore you

It's a simple thing

I got everything that you need

I see you watching me

I caught that look

Don't try to act all cool

It wasn't me you know it was you

I can see it in your eyes

No matter how hard you try to hide

Who's gonna say it, who's gonna say it

Who's gonna say it first?

[Chorus]

Girls do boys don't (girls do boys don't)

Girls say what boys won't

So don't pretend that you're not feeling me

Cause I'm the girl that a boy like you needs

Girls do, boys don't

Girls say what boys won't

I see you with your friend

Talking away

But when it comes to me

You're tongue-tied got nothing to say

Whenever I walk by

I try to say hi

I'm giving you a sign

Come on baby, what are you blind?

I can see it in your eyes

No matter how hard you try to hide

Who's gonna say it

Who's gonna say it

Who's gonna say it first

[Repeat chorus to fade]
