

# Bare Jr., Why Won't You Love Me

Why won't you love me?

I can't love you

If you won't let me next to you, it's true, it's true

And how can I kiss you if my lips

Don't reach through the phone, I'm home all alone

Why won't you love me?

Won't you cry and if you won't anymore

You don't phone for me to come

And why should I die for you, I won't be 'round to see you frown

When they put me down in the ground

Why won't you love me?
