

# Barenaked Ladies, Comes A Time

Comes a time, when you're driftin'  
Comes a time, when you settle down  
Comes a light feelins liftin'  
Pick that baby right up off the ground  
Woah, this whole world keeps spinin' 'round  
It's a wonder tall trees ain't layin' down  
There comes a time, there comes a time  
You and I, we were captured  
We took our souls, and we flew away  
We were right, we were given  
That's how we kept what we gave away  
Woah, this whole world keeps spinin' around  
It's a wonder tall trees ain't layin' down  
There comes a time, there comes a time
