

# Barenaked Ladies, Do They Know It's Christmas?

It's Christmastime; there's no need to be afraid  
At Christmastime, we let in light and we banish shade  
And in our world of plenty we can spread a smile of joy  
Throw your arms around the world at Christmastime  
But say a prayer and pray for the other ones  
At Christmastime  
It's hard, but when you're having fun  
There's a world outside your window  
And it's a world of dread and fear  
And the only water flowing is the bitter sting of tears  
And the Christmas bells that ring there  
Are the clanging chimes of doom  
Well tonight thank God it's them instead of you  
There won't be snow in Africa this Christmastime  
The greatest gift they'll get this year is life  
Oh, where nothing ever grows, no rain or river flows  
Do they know it's Christmastime at all?  
Here's to you, raise a glass for ev'ryone  
Here's to them, underneath that burning sun  
Do they know it's Christmastime at all?  
Feed the world  
Feed the world  
Feed the world  
Let them know it's Christmastime again  
Feed the world  
Let them know it's Christmastime again  
Feed the world  
Let them know it's Christmastime again  
Feed the world  
Let them know it's Christmastime again
