

# Barenaked Ladies, Hanukkah O Hanukkah

Oh Hanukkah, Oh, Hanukkah  
Come light the menorah  
Let's have a party  
We'll all dance the hora  
Gather round the table, we'll give you a treat  
Sevimon to play with latkes to eat  
And while we are playing  
The candles are burning low  
One for each night, they shed a sweet light  
To remind us of days long ago  
One for each night, they shed a sweet light  
To remind us of days long ago
