Barenaked Ladies, Here Come The Geese

Look up in the sky They said on the radio station They're up quite high Flying in a V formation Here come the geese Here come the geese Now they're on the lawns The patios and ponds On the sidewalks On the rooftops On the hillside On the playground slide In the shadows The parking lots, the meadows The fences and ledges Benches and hedges In the schoolyard On the boulevard In the high school halls In the shopping malls Watch under your feet They said on the radio station Here come the geese Flying in a V formation Here come the geese Flying in a V formation Here come the geese Flying in a V formation Here come the geese (Here come the geese) Flying in a V formation Here come the geese (Here come the geese) Flying in a V formation Here come the geese (Here come the geese) Flying in a V formation Here come the geese (Here come the geese) Flying in a V formation Here come the geese (Here come the geese) Flying in a V formation Flying in a V formation Flying in a V formation
