## Barenaked Ladies, Pinch Me (Live) [Holmdel 7-14

It's the perfect time of year Somewhere far away from here I feel fine enough, I guess Considering everything's a mess There's a restaurant down the street Where hungry people like to eat I could walk but I'll just drive It's colder than it looks outside

Like a dream you try to remember but it's gone

Then you try to scream but it only comes out as a yawn When you try to see the world beyond your front door

Take your time 'cos the way I rhyme's gonna make you smile

When you realize, with a guy my size, it might take a while

Just to try to figure out what all this is for

It's the perfect time of day

To throw all your cares away Put the sprinkler on the lawn

And run through with no clothing on

Take a drink right from the hose

Then change into Alanis's clothes

Climb the stairs up to my room

Sleep away the afternoon

Like a dream you try to remember but it's gone

Then you try to scream but it only comes out as a yawn

When you try to see the world beyond your front door

Take your time, the way I rhyme's gonna make you smile When you realize, with a guy my size, it might take a while

Just to try to figure out what all this is for

Pinch me, pinch me

'Cos I'm still asleep

Please God, tell me

That I'm still asleep

On an evening such as this

It's hard to tell if I exist

If I packed a car and leave this town

Who'll notice that I'm not around?

I could hide out under there

I just made you say underwear

I could leave but I'll just stay

All my stuff's here, anyway

Like a dream you try to remember but it's gone

Then you try to scream but it only comes out as a yawn

When you try to see the world beyond your front door

Take your time, the way I rhyme's gonna make you smile

When you realize, with a guy my size, it might take a while

Just to try to figure out what all this is for

Try to figure out what all this is for

Try to see the world beyond your front door

Try to figure out what all this is for
