

Barenaked Ladies, Shopping (Live) [Holmdel 7-14

Well, you know that
It's going to be alright
I think it's gonna be alright
Everything will always be alright
When we go shopping
Well, you know that
It's going to be alright
When we go shopping
It's always la la la
Let the shopping spree begin
La la la, everybody wins
So shut up
And never stop
Let's shop
Until we drop
Well, you know that
It's going to be alright
I think it's gonna be alright
Everything will always be alright
When we go shopping
It's always la la la
Let the shopping never end
It's always la la la
Let's go shopping with our friends
We're shopping once again
It's always la la la
It's always la la la
It's always la la la
It's always la la la
It's never enough
Until you've got all the stuff
When the going gets rough
Just shop with somebody tough
Well, you know that
It's going to be alright
I think it's gonna be alright
Everything will always be alright
When we go shopping
Yeah, you know that
It's going to be alright
I think it's gonna be alright
Everything will always be alright
When we go shopping
It's always
When we go shopping
When we go shopping
When we go shopping
It's always la la la
It's always la la la
It's always la la la
It's always la la la
It's always la la la
It's always la la la
It's always la la la
It's always la la la
It's always la la la
Until you la la la
I've got to la la la
Beside me la la la
It's always la la la
It's always la la la
It's always la la la
It's always la la la
It's always, it's always

It's always and then it's
And then it's Ed
And then it's Kev
And then it's Ty
And then it's Jimmy C
It's always la la la
It's always la la la
It's always
