

# Barenaked Ladies, Uncle Elwyn

It's Uncle Elwyn  
It's Uncle Elwyn  
My Uncle Elwyn is tall  
My Elwyn is small  
My Elwyn plays a mean basketball  
He's about 45 maybe 55, 60  
I'm not sure; once he mixed me a drink  
I was about 5 years old  
It was Koolaid and pop  
I thought that was cold  
Cold meaning good  
Cold's supposed to be bad but i think that I otta would  
Change some things, I change their meanings  
I've been here, I've been demeaning  
Once, twice, maybe three times  
I asked my Uncle Elwyn he's a mime  
Ask Uncle Elwyn  
Ask Uncle Elwyn  
E-L-W-Y-N that's Elwyn, say it again  
E-L-W-Y-N that's Elwyn, say it again  
E-L-W-Y-N that's Elwyn, sing it again  
E-L-W-Y-N that's Elwyn, that's my uncle!
