Barenaked Ladies, Vanishing

A rabbit and a top hat, a handkerchief and ring With the wave of a wand he'll pull your heartstrings

He's a magician Hoping, wishing And you're the one vanishing

Isn't that the necklace he found behind your ear? He's floating upside-down below a chandelier Wishing he had the power to make you reappear

He's a magician Hoping, wishing And you're the one vanishing

All the words of love he longs for you to hear He whispers them each night into a lion's ear Under the stage lights at the Bellagio He has got your card but you had to fly home

He's a magician Hoping, wishing And you're the one vanishing

You are vanishing You are vanishing You are vanishing You are vanishing

He's a magician Hoping, wishing And you're the one You're the one You're the one vanishing

You are vanishing You are vanishing You are vanishing (a rabbit and a top hat, a handkerchief and ring) You are vanishing (the wave of the wand)
