

Bargain Music, Till Your Well Runs Dry

You said you loved me
But then you left
You broke every promise
(Oh yes, you did)
You and every bet
You never miss your water
'Til you well runs dry
Tell me, tell me
What you gonna do
When your well runs dry?
What you gonna do
When your well runs dry?
What you gonna do
When your well runs dry?
I'd like to know
What you gonna do
When your well runs dry
Listen to me, darling
You cheat and you lie
Now you come around here
(Running)
Wanting second tries
You never miss your water
You never miss your water
You never miss your water
'Til you well runs dry
Tell me, tell me
What you gonna do
When your well runs dry?
What you gonna do
When your well runs dry?
What you gonna do
When your well runs dry?
I'd like to know
What you gonna do woman
When your well runs dry
Sat down inside
And I heard you packing
I watched you pass by me
But you said nothing
Not one single word
But I know
You're gonna miss me
And your gonna be blue
Tell me, tell me
Whatcha gonna do
When you're feeling blue?
Whatcha gonna do
When you're feeling blue?
Whatcha gonna do
When you're feeling blue?
I'd like to know
Whatcha gonna do
When you're feeling blue?
