

Barlow Girl, I Belive In Love

How long will my prayers seem unanswered?
Is there still faith in me to reach the end?
I'm feeling doubt I'm losing faith
But giving up would cost me everything
So I'll stand in the pain and silence
And I'll speak to the dark night
I believe in the sun even when it's not shining
I believe in love even when I don't feel it
And I believe in God even when He is silent
And I, I believe
Though I can't see my stories ending
That doesn't mean the dark night has no end
It's only here that I find faith
And learn to trust the one who writes my days
So I'll stand in the pain and silence
And I'll speak to the dark night
I believe in the sun even when it's not shining
I believe in love even when I don't feel it
And I believe in God even when He is silent
And I, I believe
No dark can consume Light
No death greater than this life
We are not forgotten
Hope is found when we say
Even when He is silent
I believe in the sun even when it's not shining
I believe in love even when I don't feel it
And I believe in God even when He is silent
And I, I believe.
