Barlow Girl, I Don't Regret

They're telling me they're concerned for the way I am living That I'll miss it all why would I think that God is that trusting I can't explain all the words He has spoken to my heart Why'd I want him more And I don't regret choosing you And I'm not ashamed

That it's You who holds my heart

Why do we think if we trust God too much He will fail us Nothing has come when I chose that in me, I'd trust Separate me You have called out to follow You blindly I won't foar You're leading me

I won't fear You're leading me And I don't regret choosing You

And I'm not ashamed

That it's You who holds my heart

You have shown my ever wondering heart what love is What on earth is more important than to have all of you I don't regret choosing you

And I'm not ashamed

That it's You who holds my heart
