BarlowGirl, Take Me Away

Pushing my way through these crowded streets Trying not to be swept away Fighting just to keep this crowd from Hiding You another day

So maybe this time I'll find You And maybe this time I'll push through To see You today, today

[Chorus:]
Won't You take me away
Won't You take me away
'Cause I need some time to get away
Where only You could ever
Take me away, away, away
Too many days I've been distracted
Watched these crowds push You away
I'm so tired of feeling empty
Without You I waste these days

So maybe this time I'll find You Just don't stop calling me to You And I'll find my way today
