It's Up To You

I saw heaven open, and behold! A white horse
With a Rider Who is Faithful and True
His eyes are flames of fire, and on His head are many crowns
In righteousness He'll judge and make war

Whose side are you gonna be on when Jesus returns?
You better make your decision now that you've heard
Its up to you

His is the kingdom; His is the power
And the glory forever, amen
Praises to the Father, Son, and Holy Spirit
Blessed be the name of the Lord

You know the time is coming; every day is closer
To the day when Jesus Christ will return
You know He'll keep His promise; He said He'd be coming
And the time is running out for this world
