

# Barnes And Barnes, Clip Clop (Ode To Equus)

Barnes And Barnes  
Voobaha  
Clip Clop (Ode To Equus)  
Clip clop clippity clop  
The horsey plods along  
Clip clop clippity clop  
The horsey sings his song

When I was a little boy  
How I did my trains enjoy  
Then one day my horsey came  
Nothing's ever been the same

Sometimes at the break of dawn  
Dew drops kiss the front yard lawn  
Horsey cooks me toast and eggs  
And cracks the shells between his legs

My horsey took the family car  
Drove down to the corner bar  
Tried to drink a trough of beer  
Got so drunk that he couldn't steer

I love you horsey  
What big eyes you have

We take hula dancing class  
Horsey wears a skirt of grass  
I'm so glad that he's my friend  
Eenie meenie miney mo

Yeah.
