

Barney, Games

Oh, that was fun
What do we play now, Barney?
Let's see
How about some cool games?
Oh, that's a stupendous idea VJ
There are lots of games we can all play
When we're together, there's nothing better
Than playing a game with a friend
With games we all know, we can get up and go
We can make up new games and pretend
Laughing and running or singing a song
Climbing and jumping, all day long
I love it when we play together, playing games
There's nothing like playing 'em games
Everyone loves to play games
Let's keep on playin' our games
Dancin' along, we could play all day long
We never get tired of the fun
There's always a new game
Or one with a new name
A game we can teach everyone
There are many outdoor games
That we love to play
And others we save for a rainy day
As long as we're playing together, playing games
There's nothing like playing 'em games
Everyone loves to play games
Let's keep on playin' our games
Games, there's nothing like playing 'em games
Everyone loves to play games
Let's keep on playin' our games
