## Barney, The Clapping Song

This is a song and a clapping game It's so much fun to play You can do with a group You can do it by yourself You can do it 'most everyday Just listen now I got it The good thing about this clapping Is that the rhythm will never, never change But the things we're about to clap on May seem a little strange On your tummy now On your shoulders On your knees now On your hips now Here is the end of the clapping song It's sung in many lines Just to make us feel good and the very last time Everybody claps with your hands Here we go now For the last time Yeah
