

Barney, The Stranger Song

Never talk to strangers, that's very good advise
'Cause you just can't tell if they are good or bad
Even though they may seem nice
Even though they may seem nice
Don't get in their car, don't take anything from them
Just turn around and walk away
Go back and tell a grown up friend
Go back and tell a grown up friend
Never talk to strangers, that's very good advise
'Cause you just can't tell if they are good or bad
Even though they may seem nice
Even though they may seem nice
Don't get in their car, don't take anything from them
Just turn around and walk away
Go back and tell a grown up friend
Go back and tell a grown up friend
Don't get in their car, don't take anything from them
Just turn around and walk away
Go back and tell a grown up friend
Go back and tell a grown up friend
Go back and tell a grown up friend
