

# Barney, The Stranger Song

Never talk to strangers, that's very good advise  
'Cause you just can't tell if they are good or bad  
Even though they may seem nice  
Even though they may seem nice  
Don't get in their car, don't take anything from them  
Just turn around and walk away  
Go back and tell a grown up friend  
Go back and tell a grown up friend  
Never talk to strangers, that's very good advise  
'Cause you just can't tell if they are good or bad  
Even though they may seem nice  
Even though they may seem nice  
Don't get in their car, don't take anything from them  
Just turn around and walk away  
Go back and tell a grown up friend  
Go back and tell a grown up friend  
Don't get in their car, don't take anything from them  
Just turn around and walk away  
Go back and tell a grown up friend  
Go back and tell a grown up friend  
Go back and tell a grown up friend
