

Barren Cross, Just A Touch

Barren Cross
Just A Touch
we see the days
the world goes through a change
miracles ever day

a man receives
he prays "god, take my life"
now his eyes can see

[chorus:]
just a touch
of his hand
and you'll be healed - you will

a hand is healed
a finger grows in place
a little of god's grace

a man walks
not prisoned by a chair
god can hear our prayers

[chorus]

a family lives
god can heal the pain
divorce is just insane

his word is right
it takes away your pain
call on jesus' name

[chorus]
