

# Barren Cross, Love At Full Volume

She was strange and so I loved her  
Her red hair a blaze of fire  
Boy, she melted all my wires  
She is mine

I'm in love  
At full volume  
I believe  
She's the one for me

She's the beauty queen of my dreams  
She's the star in all my movies  
She's the song that sings my feelings  
She is mine

I'm in love  
At full volume  
I believe  
She's the one for me

I recall the night we married  
Moved together me and my lady  
I enjoy her, Lord I loved her  
She is mine

I'm in love  
At full volume  
I believe  
She's the one for me
