

# Barren Cross, Out Of Time

Which keep coming in from all over the globe  
Confirming it as true  
To say that the world is in a state of shock this morning  
Would be to under state the situation  
The event seems to have taken place at the same time  
All over the world just about 25 minutes ago  
Suddenly and without warning, literally thousands  
Perhaps millions of people just disappeared  
Why did you wait?  
Why did you hesitate?  
We tried to warn you  
And now you're out of time  
You chose your own way  
Now your gonna pay  
The party's over  
And you've been left behind  
We tried to show you God's love  
But you said, "I don't need"  
We tried to help you to see  
You said, "He's not for me"  
Don't wait  
Like a thief in the night  
You'd better turn on your light  
He might come back tonight  
Don't wait  
Like a thief in the night  
You'd better turn on your light  
He might come back tonight  
Why did you run  
When God gave His only Son  
So you might have everlasting life?  
Before it's too late  
There's a choice you've got to make  
If you receive Him you won't get left behind  
Let Jesus consume your mind  
Drink from the living well  
You will live forever, yes  
But if in heaven or hell  
Don't wait  
Like a thief in the night  
You'd better turn on your light  
He might come back tonight  
Don't wait  
Like a thief in the night  
You'd better turn on your light  
He might come back tonight  
He's coming back  
It's a matter of fact  
But we don't know when  
He's coming again  
We tried to show you God's love  
But you said, "I don't need"  
Don't wait  
Like a thief in the night  
You'd better turn on your light  
He might come back tonight  
Don't wait  
Like a thief in the night  
You'd better turn on your light  
He might come back tonight  
Don't wait  
Like a thief in the night  
You'd better turn on your light  
He might come back tonight

Don't wait  
Like a thief in the night  
You'd better turn on your light  
He might come back tonight  
Don't wait  
Like a thief in the night  
You'd better turn on your light  
He might come back tonight  
Don't wait  
Like a thief in the night  
You'd better turn on your light  
He might come back tonight
