Got it hit down

spot knock inside a spider

said: "That's love yeh, yeh, yeah!"

said: "That's love yeh, yeh, yeah!"

said: "That's love - All know it

TV, teeth, feet, peace, feel it...

That's love, yeh, yeh, yeah!"

That's love, yeh, yeh, yeah!"

I like the fall that brings me to

I make a cord around sinew

Duck the weight and east is less

Deep craving of the metal west

hell tomorrow's rain and test

hell tomorrow's rain and test

Love an empty sun and guess

dimples dangerous and blessed

Heaving, arriving, tinkeling

mingling jet and statuettes

seething wet we meet in fleck

seething wet we meet in fleck

lines and winds and freeben half

each fair day I give you half

of each fair day I give you half

I look into your eyes anew,

laying in the sun for you...

Blam, splattered, tactile, engine

heaving, quacky, squeaky, dormy, roofy, wham

I'll have them mind blown

broken jardy, cardy, smoocho, poocho, paki, puffi

splosh eat moxy, very smelly,

cable, gable, splinter, shaddle

top the seam he's taken off

rats, rats lay down flat

we don't need you, we act like that

and if you think you're un-loved

then we know about that...

rats, rats, lay down flat!

yes, yes, yes, yes, lay down flat!
