

# Barry Louis Polisar, Don't Put Your Finger Up Your

Don't put your finger up your nose  
'Cause your nose knows, it's not the place it goes  
You can sniffle, you can sneeze but I'm askin' you, please  
Don't put your finger up your nose  
Don't stick your finger up your ear  
'Cause then your ear will find it hard to hear  
You can thump it an you can tug it but please, don't plug it  
Don't stick your finger up your ear  
Don't put your finger up your nose  
'Cause your nose knows, it's not the place it goes  
You can sniffle, you can sneeze but I'm askin' you, please  
Don't put your finger up your nose  
Don't put your finger in your eye  
It's not a thing you think you gotta try  
You can blink it you can wink it but I don't think it  
Would be good to put your finger in your eye  
Don't put your finger up your nose  
'Cause your nose knows, it's not the place it goes  
You can sniffle, you can sneeze but I'm askin' you, please  
Don't put your finger up your nose  
Don't stick your finger down your throat  
'Cause that'd just make you start to choke  
Then up will come your dinner, an' you'll start to look much thinner  
Don't stick your finger down your throat  
Don't put your finger up your nose  
'Cause your nose knows, it's not the place it goes  
You can sniffle, you can sneeze but I'm askin' you, please  
Don't put your finger up your nose  
Don't put your finger up your nose  
'Cause your nose knows, it's not the place it goes  
You can sniffle, you can sneeze but I'm askin' you, please  
Don't put your finger up your nose  
At least not in front of me
