

# Barry Manilow, Arthur's Theme (Best That You Can Do)

Once in your life you find her  
Someone that turns your heart around  
And next thing you know you're closing down the town  
Wake up and she's still with you  
Even though you left her way across town  
Wondering to yourself, "Hey, what've I found?"  
When you get caught between the moon and New York City  
I know it's crazy but it's true  
If you get caught between the moon and New York City  
The best that you can do, the best that you can do is fall in love  
Arthur, he does as he pleases  
All of his life, he's mastered choice  
But deep in his heart, he's just, he's just a boy  
Living his life one day at a time  
And showing himself a real good time  
Laughing about the way they want him to be  
When you get caught between the moon and New York City  
I know it's crazy but it's true  
If you get caught between the moon and New York City  
The best that you can do, the best that you can do is fall in love  
When you get caught between the moon and New York City  
I know it's crazy but it's true  
If you get caught between the moon and New York City  
The best that you can do, the best that you can do is fall in love  
(When you get caught between the moon and New York City)  
I know it's crazy but it's true  
If you get caught between the moon and New York City  
The best that you can do
