

# Barry Manilow, Break Down The Door

I'm not the man I used to be  
Fell down a time or two  
When luck was lookin' out for me  
I missed the knock  
And never knew  
I let you go  
But you can't get away from me again

Do you want me to plead?  
Do you want me to cry?  
Any proof that you need  
Any promise you'll buy  
Do you want me to break down the door  
Do you want me to break down the door  
Break down the door

You say you saw me lose control  
Look now I'm in the lead  
And you can have me heart and soul  
I'm overhauled  
And guaranteed  
What do you say  
Why don't you take a chance  
On me again

Do you want me to plead?  
Do you want me to cry?  
Any proof that you need  
Any promise you'll buy  
Do you want me to break down the door  
Do you want me to break down the door  
Break down the door

Can't say for sure what's comin'  
It ain't what's gone before  
Except we had some damn good times  
And I know we both want more

Do you want me to plead?  
Do you want me to cry?  
Any proof that you need  
Any promise you'll buy  
Do you want me to break  
Do you want me to break down  
Do you want me to break down the  
Do you want me to break down the door
