## Barry Manilow, Could It Be Magic (Dance)

Spirit move me Every time I"m near you Whirling like a cyclone in my mind

Sweet Melissa, Angel of my life time, Answer to all answers I can find

Baby I love you Come, come, Come into my arms Let me know the wonder of all of you Baby I want you, Now, now, now and hold on fast Could this be the magic at last

Lady take me Hight upon a hillside High up where the stallion meets the sun I could love you, Build my world around you, Never leave you till my life is done

Baby I love you Come, come, Come into my arms Let me know the wonder of all of you And baby I want you, Now, now, oh now, oh now and hold on fast Could this be the magic at last Now could it be magic Come, come on,come on Come oh come into my arms Let me know the wonder of all of you Baby I want you, Now, now, oh now, oh now and hold on fast Could this be the magic at last.
