

Barry Manilow, Fugue For Tinhorns

I got the horse right here
His name is Paul Revier
And here's a guy who says if the weather's clear
Can do, can do
This guy says the horse can do
Can do, can do
I'm picking valentine
Cause on the morning line
The guy has got him figured 5 to 9
Has a chance, has a chance
This guy say the horse has a chance
If he says the horse has a chance
Has a chance, has a chance
No way

For Paul Revier I'll bite
I hear his foots alright
Of course it all depends
If it rained last night
I know it's valentine
The morning word the find
Besides the jokey's brother's a friend of mind
Needs grace, needs grace
This guy says the horse needs grace
He says that the horse needs grace
Needs grace, needs grace
Hey wait a minute fellows
Have you consider this
Well anyway, it's my turn to sing
So shut up
Oh really

But look at appetat
He wins it by a hair
According to this here in the telegraphy
Big threat, big threat
This guy calls the horse big threat
If he calls the horse big threat
Big threat, big threat
I tell you Paul Revier
Now this is no bum stear
It's from my handy cap that is real sincere
I go from valentine
Cause on the morning line
The guy has got him figured 5 to 9
Has a chance, has a chance
The guy says the horse has a chance
Paul Revier
Valentine
Appatat
I got the horse right here
