

# Barry Manilow, He Doesn't Care (But I Do)

So all alone  
Little girl blue  
You tell me the tale  
And stand there crying  
I'm here for you  
You know that I care  
Listening to you, inside I'm dying  
Your heart may be breaking  
But my heart is breaking too

He doesn't care if you're all alone  
But I do  
He doesn't care if you come back home  
But I do, yes I do  
Why can't you feel it too

I'm your best friend  
A brother you say  
Hurting me so  
To see your sorrow  
Knew all along  
He's not for you  
Sadness and tears  
But tomorrow  
You'll see how I need you  
And maybe you'll need me too

He doesn't care if he breaks your heart  
But I do  
He doesn't care if you fall apart  
But I do, yes I do  
Why can't you feel it, too?

Oh, don't throw your love away  
On someone who doesn't deserve it  
If you belonged to me  
I'd love you more each day  
I'd take you  
And make you believe what I say

He doesn't care if he breaks your heart  
But I do  
He doesn't care if you fall apart  
But I do, yes I do  
Why can't you feel it  
He doesn't care if he breaks your heart  
But I do  
He doesn't care if you fall apart
