

# Barry Manilow, I Go Crazy

Hello girl it's been a while  
Guess you'll be glad to know  
That I've learn how to laugh and smile  
Getting over you was slow  
They say old lovers can be good friends  
But I never thought I really see you  
I really see you again  
I go crazy  
When I look in your eyes  
I still go crazy  
No my heart just can't high  
That old feeling in side  
Way deep down inside  
Oh baby  
You know when I look in your eyes  
I go crazy

You say he satasified your mind  
Tells you all of his dreams  
I know how much that means to you  
I realize that I was blind  
Just when I thought I was over you  
I see your face and it just ain't true  
You know it just ain't true  
I go crazy

When I look in your eyes  
I still go crazy  
That old flame comes alive  
It starts burning inside  
Way deep down inside  
Oh baby  
You know when I look in your eyes  
I still go crazy

Oh it just ain't true  
No it's just ain't true  
I go crazy  
When I look in your eyes  
I still go crazy

That old flame comes alive  
It starts burning inside  
Way deep down inside  
Oh baby  
You know when I look in your eyes  
I still go crazy
