

Barry Manilow, Rain

Gray clouds rollin' over my head
I can see a storm in the sky
All night long you're tossin' in bed
All night long I'm outa my head it's

Rain
Fallin' down from the sky
Kissin' my love goodbye
Rain fallin' down
I can't take the
Rain
Washin' my love away
I'm cryin' for yesterday
Rain fallin' down

Gray clouds rollin' over my head
I can see a storm in the sky
Don't know where this lovin' has led
Why can't there be sun instead of

Rain
Fallin' down from the sky
Kissin' my love goodbye
Rain fallin' down
I can't take the
Rain
Washin' my love away
I'm cryin' for yesterday
Rain fallin' down

Darlin you got to stop the rain
Only you can stop the rain
Only you can do it

Darlin you got to stop the rain
Only you can stop the rain
Only you can stop it

Everything is falling apart
And I don't think I can stand the rain anymore

No' no more , no more rain
No more rain

Stop the rain, stop the rain from falling down
I've got to stop the rain from falling down
You and me babe
What we had was good
Oh I knew we could have made it

I can't take this rain
Falling down from the sky
Kissing my love goodbye
Rain fallin down
Someone stop the rain
Washing my love away
Crying for yesterday
Rain falling down

Women you got to stop the rain
Only you can stop the rain
Only you can do it
Darlin you got to stop the rain
Only you can stop this rain

Only you can do it
Baby you got to stop the rain
Only you can stop the rain
Only you can help me
Babe you got to stop the rain
