Barry Manilow, Riders To The Stars

Christy wants a millionaire, a miracle in the rain Everybody's lookin' to find their heaven, never come back again People keep searchin' up and down Joinin' in the latest thing And I run around lookin' for love Waitin' for bells to ring

Riders to the stars We are flyin', we are fallin' And I can see the clouds rollin' by Riders to the stars We are sailin', we are soarin' And all we can do is try We are riders to the stars We are riders to the stars

Billy wants a fancy car, says it's just what he needs Folks into showin', just what they're blowin' Followin' foolish leads And Christy wants to find her millionaire, her miracle in the rain And I lift my head right up to the sun Never look down again

Riders to the stars We are flyin', we are fallin' And I can see the clouds rollin' by Riders to the stars We are sailin', we are soarin' And all we can do is try We are riders to the stars We are riders to the stars

Some folks have money, and others survive God knows, it's not easy just bein' alive The dreamer dreams on, and dreams never die Long as we try, long as we try

Riders to the stars We are flyin', we are fallin' And I can see the clouds rollin' by Riders to the stars We are sailin', we are soarin' And all we can do is try We are riders to the stars We are riders to the stars
