

Barry Manilow, Sunrise

And so it began
As I sat by my window
All by myself in the dawn

No body else
No polite conversation
Just waiting for life to come on

And I see the sunrise over the ocean
Sunrise on the sea
I'm watching the sunrise
I'm glad to be living
Sunrise , shine over me

I think of my life as I look out my window
People I love , places I've been
Sometimes I feel I could go on forever
With nothing to lose and nothing to win

When I see the sunrise over the ocean
Sunrise on the sea
I'm watching the sunrise
I'm glad to be living
Sunrise , shine over me
