

# Barry Manilow, Venus

(Ed Marshall)

[Originally by Frankie Avalon]

Hey, Venus  
Oh, Venus

Venus, if you will  
Please send a little girl for me to thrill  
A girl who wants my kisses and my arms  
A girl with all the charms of you

Venus, make her fair  
A lovely girl with sunlight in her hair  
And take the brightest stars up in the skies  
And place them in her eyes for me

Venus, goddess of love that you are  
Surely the things I ask  
Can't be too great a task

Venus, if you do  
I promise that I always will be true  
I'll give her all the love I have to give  
As long as we both shall live

Venus, goddess of love that you are  
Surely the things I ask  
Can't be too great a task

Venus if you do  
I promise that I always will be true  
I'll give her all the love I have to give  
As long as we both shall live

Hey, Venus  
Oh, Venus  
Make my wish come true
